

## Cortland Pistol Club Letter to all Membership

We are sorry to report that some major changes to our club membership is about to be implemented. The total disregard by a few of our members regarding range rules has come to a breaking point.

We are first and foremost a Shooting Sports Club. Our focus is on organizing and promoting the shooting sports, like USPSA, IDPA, Steel Challenge, and the Ruger Rim Fire Challenge. The shooting pits and props, such as walls, target stands, and barricades, are the items needed to put on these sports. Only a few of our members participate in the construction and set-up of these props and stages for our competitions.

Over the past several years we have had a rise in members that join the club only to shoot their handguns, and we welcome this as long as you are safe and follow the Range Rules to the letter.

Unfortunately, this has not been the case. Our props have been destroyed, targets and trash brought in and not taken out, people have brought guests even though this is not allowed, and safety rules are not being followed.

Because of this our membership application process is changing. To get an application you will need to submit your application and membership fee and attend a Safety and Rules Orientation. You will receive your membership card upon completion of the orientation.

Shooters that are members and active in USPSA and IDPA shooting sports will not have to take the orientation. We are sorry if this inconveniences anyone, but shooting is a privilege, and the place where it occurs needs to be respected.
